BLACK CERES

Black Ceres represents a durable and robust porcelain dinnerware collection. Due to its production process with reactive glazes in porcelain, every piece of the Black Ceres collection is unique, with different color shades for each item. The black matte design complements the soft, round shapes of the different items. Black Ceres is conceived out of strong dark earth tones and serves as the perfect instrument to make your everyday dining experience more special.

BRASS

The oriental inspired Fine to Dine “Brass” tableware collection combines a robust industrial design with authentic textures. The metallic look and hammered patterns deliver a warm, hand-crafted feel to the products and offer a great contrast for presentation. Due to the slightly reactive glaze, every product has subtle nuances in finishing. Rough, yet elegant and stylish. Made from porcelain, this collection features durable high-quality products. Go for a stylish one-colour set-up or mix and match the copper and silver colours for a more playful presentation.

Croco will stimulate both the eye and the taste. This black porcelain tableware collection characterized by crocodile skin textured surfaces delivers a stunning contrast with regular dinnerware. Because the items are mass colored, there won't appear any visible discoloration in case of 'chipping'. Nevertheless the surfaces are structured, all items are scratch-free. Croco's daring design invites its users to invent surprising compositions.

NURA

Modern, sleek and minimalist. Meet our Fine to Dine “Nura” collection. This polished range of elegant tableware is made of glass and easily transforms any dining table into a classy setting. The collection is available in two colours: smoked transparent and glossy black. The products are mass coloured and therefore 100% colour proof and dishwasher safe. The surface of each product is flat and smooth, whereas the outside is beautifully textured. This playful contrast adds a great touch and feel to the collection. All products are carefully crafted in Europe.

STRUCTO BROWN

Strong structures and stackable shapes form a solid base for Structo Brown. The straightforward robust design found its inspiration in the building and architecture industry. All products are made from durable porcelain based on a gray clay formula, which results in beautiful soft shades of brown. Every item is mass colored and finished with a reactive glaze, making each piece slightly different, with a unique color and speckle pattern. Available in both white and brown, all items can be easily mixed and matched.

TENSE RUBY

Ruby red and black tones erupted into a mysterious dark color palette in this Tense Ruby collection. The name alludes to the rather 'whimsical' and intuitive way in which this collection was given shape. Organic formed porcelain dishes, fired at 1300°C and finished with a reactive glaze, ensure 0% water absorption.

U S K O

The Fine to Dine “Usko” tableware collection is unique in colour, appearance and design. Due to a special finishing with reactive glaze, each piece is unique and has its own personality. Different shades of grey and soft olive green will add a fresh look and southern touch to your table. Plates and bowls are characterized by a deep round shape and gentle curves, making it both aesthetically and functionally pleasing to eat from. This collection is made of strong durable porcelain and is strongly chip resistant.

WHITE CERES

After the succes of the “Black Ceres” and “Grey Ceres” collection, the Fine to Dine “White Ceres” collection was born. This set of new white tableware, made of durable high-quality porcelain, is characterized by a robust simplistic design and different shapes. Each piece is unique, with different shades of white and a different subtle pattern of matte and glossy finishing due to a production process with reactive glazes. The clean and natural design looks great on every dining table.
